### **VOLUNTARY ANNOUNCEMENT BUSINESS UPDATE**

This announcement is made by V.S. International Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

Reference is made to the profit warning announcement of the Company dated 28 February 2019.

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the information currently available to the Board, the Group is expected to record a decrease of about 77% in its loss attributable to owners of the Company for the six months ended 31 January 2020, as compared to the loss attributable to owners of the Company of approximately RMB30.5 million for the corresponding period in 2019.

The decrease in loss attributable to owners of the Company for the six months ended 31 January 2020 was mainly attributable to the following reasons:

- (i) decrease in distribution expenses by about 40%, which was mainly due to the decrease in distribution staff costs; and
- (ii) decrease in administration expenses by about 29%, which was mainly due to the decrease in staff costs and research and development expenses.

While the gross profit remained largely stable when compared to that for the six months ended 31 January 2019, the revenue of the Group for the six months ended 31 January 2020 has decreased by about 30%, which was mainly due to a decrease in the sales orders caused by current cautious business and economic environment.

As the Company is still in the process of finalising the consolidated interim results of the Group for the six months ended 31 January 2020, the information contained in this announcement is only based on a preliminary assessment by the management of the Company of the information currently available to the Board, and is not based on any figures or information which have been audited or reviewed by the external auditors of the Company. Therefore, the actual results of the Group for the six months ended 31 January 2020 may differ from the information contained in this announcement. Shareholders and potential investors should refer to the Group's interim results announcement for the six months ended 31 January 2020, which is expected to be published by the end of March 2020, for details of the performance of the Group.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
